

2020 Jamboree Canceled

It is with great disappointment we inform you of the need to cancel the NW Junior Jamboree volleyball tournament in Yakima, WA. The gymnasium space needed to host the 144 teams, signed up to compete in the 2020 Jamboree are no longer available to Team Yakima Volleyball Club, due to the schools concerns over the coronavirus.

We apologize for the inconvenience and disappointment to the clubs, families and players effected by this decision. We are asking those with hotel and/or restaurant reservations to please call and cancel your reservations. Team Yakima will issue refunds to all the clubs for the tournament entry. Again, we apologize to all the local teams as well as all the out of town teams that made arrangements to travel to Yakima for our two day, 42nd Annual Northwest Junior Jamboree. If there are any additional questions please email kari@teamyakima.com. Remember to wash your hands & keep playing hard! See you next year!!

Sincerely,
Team Yakima Volleyball Club
